

media-x

Simply **Powerful** Solutions
for education professionals

media-x.com

Who Are We?

Media-X Systems Inc. is a software development company, founded nearly 20 years ago. We develop education-related software for K-12 schools and post-secondary institutions, with a focus on curriculum planning, standards-based assessment, staff performance appraisals and data analysis. Media-X has extensive experience with web, desktop and mobile software development.

media-x

MARZANO

STANDARDS BASED GRADEBOOK

The Marzano Standards Based Gradebook is a new Grading solution from Media-X and The Marzano Research Laboratory.

Unique to this Gradebook is the application of the Standards-Based Grading approach. This allows for the prediction of valid student achievement in specific areas.

- Compatible with eTeacher and Powerschool
- Easily track student learning goals and proficiency levels

- Flexible approach supports traditional final grades
- Full support for Marzano's Standards-Based Grading

- Crisp, Clean Layout and Easy to Use.
- Designed for ease of use on all mobile devices.

- Forecast Student grades with the Marzano Gradebook's "Power Law" capability.

iCoach®

Private, video-based instructional coaching system

- Upload your videos privately and securely to your online account in the cloud
- Record classroom video with the easy to use iCoach Mobile app
- 100% Compatible with eWalk

- Send requests to your peers to allow them to watch and review your video
- Make comments and recommendations on videos in sync with the video timeline

Go2.MX®

An online survey tool that allows you to quickly deploy powerful surveys in minutes

- Create, customize and deploy your own surveys and forms for your school, district or organization with a few clicks

- Go2.MX provides built-in support for mobile web browsers, and also features a built-in short URL code and QR code for each survey

- Use any of your eWalk templates as surveys that can be easily distributed to anyone

	Strongly Agree	Agree	No Opinion
When I visited the school I observed a pleasant physical environment and the main office was clean, clutter free, and well organized.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
During my visit I experienced staff to be friendly, helpful, and caring. They remained attentive to my needs.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Representative answered my questions knowledgeably or provided the information I needed.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Representative(s) smiled and introduced themselves to me while offering to help.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
I felt welcomed during my visit.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

[If you would like to share additional comments, have suggestions for future visits, or if a staff member went above and beyond for us know!]
